## EASYTRACK 2 POST SYSTEM

Overhead ceiling lifts are the best solution. If only you could eliminate the hassle and cost of installation... Now you have the answer!

Non-slip neoprene surface on both the foot plate and top plate ensure posts stay in place.

Specially designed for BHM's lightweight Voyager Portable lift.

## TRACK LIFT IN A KIT!

- 1** CLICK the pieces together and slide the post up to the ceiling.
- 2** TWIST the post to tighten it into place.
- 3** LOCK the rail onto one post.

- 4** EXTEND and lock the rail onto the other post.
  - 5** FINISH by placing the protective strips and end caps on the posts.
- NO TOOLS required
  - NO CONTRACTORS required
  - FITS MOST STANDARD CEILINGS in your home

## EASYTRACK 3 POST SYSTEM

Need more room to transfer? Try our unique 3 post system. Pivoting rail moves from side to side.

Attach the 3 post Easytrack System to a wall instead of a post for more flexibility.
